

NEW

**Premium Glassware
perfect for the rapidly
growing craft and
premium spirits market!**

Samba

- Two sizes, for either neat or on-the-rocks service
- Hourglass design assists in evaporating the spirit, and concentrating the aroma
- Large opening for adding ice

Spirits

- Rounded design, heavy base – perfect for swirling “neat” drinks
- Narrows at the top to enhance aromas

Aromé

- Large service area to enhance complex aromas
- Narrow top to funnel aromas up

Carats

- Retro inspired look, heavy weight and larger capacity is perfect for scotch or other spirits on-the-rocks

Optiva Glassware

- Internal stacking shelf maximizes storage space
- Soft square stacking design enhances tabletop appeal
- Design helps prevent moisture buildup when glassware is stacked
- DuraTuff® for longer service life, reducing replacement costs

- **"Vari-cycle"** allows for an infinite number of wash time settings.
- ENERGY STAR® qualified
- **MADE IN CANADA!**

Champion®

The Dishwashing and Glasswashing Machine Specialists
Les spécialistes du lave-vaisselle et du lave-verres

A DISHWASHER SOLUTION
FOR EVERY APPLICATION!

WHY IS A MOYER DIEBEL FILL AND DRAIN UNDERCOUNTER BETTER?

501HT - MOYER DIEBEL - \$6744

Same great features as 401HT Plus, but with digital display, extended scrub cycle, tank heater and stainless steel switches 208-240/60/1, 40°F/22C rise booster standard
(Optional Top/Side Panels)

401HTplus - MOYER DIEBEL - \$5481

Fill & drain undercounter w/ 40° rise booster, 208-240/60/1.
Excellent results with heavily soiled wares!
(Optional Top/Side Panels)

- It always drains 100% of the dirty wash water
- It always rinses with 100% fresh water
- It always saves water by re-using the clean rinse water for the next wash cycle
- It consistently delivers clean dishes with even the heaviest of food soil loads!
- Ideal for:
 - High volume
 - Heavy food soil
 - Hard water conditions

FILL & DRAIN MODELS

ALWAYS INNOVATING, NEVER IMITATING.

When you're the industry leader in warewashers, there's no need to imitate. More than 100 years of experience has put us in the lead. Today we build and service the most innovative and durable warewashers on the market. The **LXeR Undercounter Warewasher** is a prime example of Hobart ingenuity. Featuring patented Hobart Advansys™ Energy Recovery Technology, it runs on cold water. And for all the money-saving technology built into the LXeR, one button operation makes it surprisingly simple to use.

Undercounter Dishwashers with Over-the-Top Technology

LXeR Advansys™

- Compact undercounter footprint
- Hobart Energy Recovery Technology
- Auto-cleaning of internal surfaces
- Three different cycle times
- Easy to remove rinse arms

Starting at **\$6295**

LXeH

- Up to 32 racks per hour
- Service diagnostic system informs you when running low on chemicals
- Easy cleaning
- Removable scraps screen

Starting at **\$5695**
